The undersigned certifies that it is a common carrier lawfully operating as such, and that the fuel oil or other petroleum products purchased exempt from sales tax reimbursement are to be shipped to an out-of-state destination for use by said Company in the conduct of its business as a common carrier, and that the undersigned purchasing carrier is lawfully engaged in transporting cargo as a common carrier over the route in this state by which it will transport the fuel oil or other petroleum products. In the event any of such property is used for any purpose other than that specified in the certificate, it is understood that the purchaser is required by the Sales and Use Tax Law to report and pay tax, measured by the purchase price of such property. To qualify for the exemption, a common carrier who is not otherwise required to hold a valid seller's permit must register with the Board of Equalization and obtain a fuel exemption number no later than 45 days after taking the fuel on board.
